

PANEL II: Future-Proof Regulation

Ilse Peeters

Head of Government Relations and Public Affairs
Euroclear SA

Ilse Peeters, Director, is the Head of Government Relations and Public Affairs at Euroclear SA/NV. Government Relations was part of the Euroclear Corporate Strategy Division until 2017. It is now part of the Compliance, Regulatory Management and Public Affairs Division.

Ms Peeters works closely with key EU public policy stakeholders on relevant industry issues, while ensuring the effective external communication of Euroclear's strategy. Over the last ten years, she has been involved in the main regulatory initiatives that have shaped the post-trade industry. Her recent focus is on technological Innovations such as Distributed Ledger Technology (DLT) and ICOs and their regulatory and legal challenges.

Ms Peeters joined Euroclear in 1988. In her early years, she held positions in cash operations, marketing and operational documentation, and business analysis. She then became senior business analyst in the team that prepared the transition to the euro in 1999. She moved to Risk Management where she was responsible for preparing banking risk policies and procedures upon the creation of Euroclear Bank in 2001. Ms Peeters joined Government Relations in 2003.

Ms Peeters holds a Masters' degree in Commercial and Financial Sciences from the Economische Hogeschool Sint-Aloysius (EHSAL) in Brussels.
