CSD Technology Day
Brussels, Tuesday 27 November 2018

Steigenberger Wiltcher's hotel
71 Avenue Louise, Brussels

Programme

09:30 - 10:00 - Registration

10:00 - Introduction and opening remarks - Mathias Papenfuß, ECSDA Chairman of the Board

10:05 - Keynote speech Roberto Viola, Director General DG Connect, European Commission

10:20 to 11:00 - PANEL I: FULL SPECTRUM OF FINTECH TECHNOLOGY IN CSD AREA

How to make post-trade more efficient with robotics, AI and machine learning?
What new technology is most suitable for CSDs? Where real benefits lie? How to make it fit to
CSD needs? Partnering vs inhouse solutions? Wait and see vs. on top of things approach?
Finally, how to start introducing new technology in "the old world"?
