

SPEAKER

PANEL I: Better Financial Roads in Europe and Financial Union Infrastructure Moderator

Jesús Benito
Chief Executive Officer, Iberclear

Jesús Benito is Chief Executive Officer (C.E.O.) of IBERCLEAR since 2006. In September 2017, he has been appointed as Member of the BME Management Committee as Head of the Settlement and Registry Unit.

He is Chairman of the T2S CSDs Steering Group (CSG) since the creation of this Group in 2012. In T2S, he is involved in other T2S different Groups, such as AMI-SeCo, the Harmonization Steering Group, among others. He is also participating in the CSD Operational Group (COG), group chaired by the European Central Bank and the US Federal Reserve with the 12 most important CSDs around the globe. As from 1st July 2018, he is Vice-Chairman of REGIS-TR.

He has been involved in the European CSD Association (ECSDA) as member of its Board of Directors and Executive Committee.

Jesús Benito has participated in numerous international Groups, among others: the European Commission's Clearing and Settlement Advisory and Monitoring Expert Group (CESAME and CESAMEII), Monitoring Operating Group (MOG).

In addition to his role as Iberclear CEO, he was also managing director of REGIS-TR, the Trade Repository of Clearstream and Iberclear as well as general secretary of the Board and Board member of Link-Up Markets. Before joining Iberclear in 2000, he worked for Banco de España from 1988 to 2000, as Head of Section responsible for CSD links and securities settlement policy issues. He has a Business Degree from Complutense University.
