PANEL II: CSDR Review: regulators' perspective

Beata Wróbel
Adviser, Oversight Division, ECB

Beata Wróbel is an Adviser in the Securities and Derivatives Oversight Section in the Oversight Division of the ECB's Directorate General Market Infrastructure and Payments. She leads the work of the Division in relation to oversight of TARGET2-Securities (T2S), the authorisation of CSDs under the CSD Regulation (in particular for the role of the Eurosystem as central bank of issue) and coordinates the assessments of securities settlement systems/link arrangements in view of their use in Eurosystem credit operations. In addition, Beata represents the ECB in ESCB working groups and other fora dealing with the above topics.

Before joining the ECB Beata worked as Head of Securities Settlement Oversight in the National Bank of Poland.
