

SPEAKER

Briefing on advancement of the industry work on Shareholder Rights Directive II

Mike Collier

Director, GTB Product Management, Deutsche Bank

Mike Collier brings with him a wealth of Securities Services experience covering all aspects of the post-trade value chain with previous tenures at Euroclear, Cantor Fitzgerald and UBS.

Mike joined Deutsche Bank in 2009, and has held a number of leadership roles in asset servicing operations, market advocacy and his current role Securities Services product management. Within product management, Michael plays a key role in the future roadmap of the custody product and supporting clients in the delivery of both strategic solutions and regulatory compliance.

Mike is continuing his work on driving several European post-trade harmonisation initiatives. In addition to chairing the AFME Post Trade Asset Services Committee, he also participates on behalf of Deutsche Bank on expert working groups such as the Corporate Actions Joint Working Group (CAJWG), Stock Events Working Party (SEWP), UK Market Implementation Group (UK-MIG), European Market Implementation Group (E-MIG), T2S Corporate Action Sub Group (CASG), Shareholder Rights Directive II (SRD II) Task Forces / SteerCo and the UK Custody Working Group (UK-CWG).
