

SPEAKER

PANEL II: CSDR Review: regulators perspective

Vadim Kolomiets

Chief Supervision Expert, Financial Instruments Market Division, FCMC

Vadim Kolomiets is Chief Supervision Expert in the Financial Instruments Market Division in the Supervision Department of Financial and Capital Market Commission. He acts as a chair of Nasdaq CSD SE supervisory college.

His main task since implementation of CSDR is to lead authorisation and supervisory work in relation to the CSD and coordinate work of authorities involved in the college.

He has been member of the Post-Trading Standing Committee at ESMA (CESR) since 2010 and Investor Protection and Intermediaries Standing Committee at ESMA (CESR) since 2009.

Before 2016 his main focus was supervision of investment services provided by banks and brokerage companies. Before joining FCMC in 2009 Vadim worked as Head of Brokerage at Baltic International Bank in Latvia.
